I. Officers Elected

A. Election of Officers

The election of the President, Vice President, Secretary and Treasurer will take place two weeks prior to the end of the regular bowling season by the membership of the league. The offices of Secretary and Treasurer may be combined.

B. Vacancy in Office

A vacancy in any office shall be filled by the Board of Directors within seven (7) days.

C. Duties in Office

The USBC rules describe the duties of office of the President, Vice President, Secretary and Treasurer as well as the duties of Team Captains.

II. Name of League/Establishment/Day of Bowling

A. **Friday Night OUT Bowling League** will be governed by rules and guidelines established by the United States Bowling Congress (USBC) and the International Gay Bowling Organization (IGBO) as well as these by-laws.

B. **League will bowl at AMF Norfolk, Norfolk, Virginia.**

C. **Bowling will begin promptly at 6:30 p.m., Friday, September 8, 2017, for ten (10) minutes of practice.**

III. Team Information

A. **League will consist of teams** of four bowlers per team.

B. **Teams will be comprised** of any combination of men or women.

IV. Bowling Season Information

A. **The league will bowl 33 weeks** beginning September 8, 2017 and ending May 11, 2018. A 34th week of bowling will be a Playoff among the four teams designated during the regular season. The Playoff will be conducted May 18, 2018.

B. **The league will observe the following holidays: November 24, December 22 and December 29.**

C. **The season will be divided into thirds.** Each third will be 10 weeks with a position round the 11th week.

Winners from the three thirds plus the team with the most points (which did not win a third) will participate in the final Playoff. In the event the same team wins more than one third, the team with the second-highest regular season point count will be invited to the Playoff. If the same team wins all three thirds, it will be declared league champion, and there will be no Playoff.

D. **In the event of a tie for first place in the position round**, the tied teams will bowl a one (1) game roll-off with total pin fall (plus handicap) determining the winner. The roll-off will immediately follow the conclusion of the position round. If a tie remains, an extra tenth (10th) frame (with handicap) will continue until a winner is determined.

E. **First place league champions** will be determined by the Playoff. All other standings, beginning with second place, will be based on the overall season record. If there is a tie in any other positions within the standings, the money for the tied teams will be combined and divided evenly among the bowlers on those teams. A tie in the Playoff will be decided in the same manner as a tie in a position round.

V. Type of League

A. The league will be handicapped.

1. **A legal lineup** consists of one team member and one substitute.

2. **Handicap** is awarded per player, per game.

3. **Handicap will be based** on the formula of 90 percent of the difference between the individual's average and the league scratch score of 250.

4. **The league's vacancy score** shall be 120 with a handicap of 117 pins per game.

5. **The absentee score** for each game shall be the absent member's current average less ten (10) pins.

6. **If a bowler is absent** without notice for two (2) consecutive weeks and past due in weekly fees, the bowler shall be dismissed.

7. **Standings will be determined** on a point basis with two (2) points for each game won and one (1) point for the winner of total pins.

8. **All individuals will establish an average** based on the number of completed games in the bowler's first (1st) match as long as at least one game is completed. Otherwise, a vacancy score will be used.

B. Cash Prizes.

1. **The league will be a money league.** A prize committee will be appointed by the President and will be responsible for creating a minimum of two (2) prize lists to be voted on by the Team Captains. The prize list will be selected by majority vote of the Team Captains no later than the fifth (5th) week of bowling.

2. **A single bowler/team that achieves high honors** in more than one category will be presented with one cash prize, and that cash prize will be based on the highest dollar amount or highest merit (handicap over scratch; average-series-game) in that order, in their respective categories (individual or team). For the individual awards, a bowler must have completed two-thirds (2/3) of the total games in the season.

3. **USBC and IGBO recognition awards** will be given in accordance with the USBC rules and the IGBO constitution.
